Education

American University in Bulgaria

Sept 2021 – May 2025

BS in Computer Science

- **CGPA: 3.6/4.0**
- **Relevant Coursework:** Fundamental Data Structures, Discrete Structures, C++ Programming, Web Development, Java Programming, Software Engineering, C# Programming, Python Programming, Computer Architecture, Operating Systems, Internet Of Things

Experience

Software Developer Intern

Sofia, Bulgaria

Devexperts

Aug 2023 — Dec 2023

- Underwent an internship program aimed at training Software Developers in Rich Internet Application Development, which consisted of both theoretical and practical parts.
- Gained experience in working with GIT, Bitbucket, UNIX, SQL, JIRA, JS and Maven.

Software Developer Intern

Sofia, Bulgaria

Cerillion

June 2024 — Aug 2024

- Was part of an internship program focused on local and remote environments management, Linux server management and database maintenance.
- Worked on a Bash script that converts data from the client's format into Cerillion format.
- Updated website security certificates.
- Gained experience in working with VIM, Oracle Database, Ansible and Linux.

Projects

Portfolio Website — JS, HTML, CSS

[Github Repo](#) 

- A website application containing information about me as a programmer. Includes JS animations, light and dark mode toggle feature, top of the page button and contact form. Hosted on GitHub Pages.
- Website is currently live and hosted on GitHub Pages.

Multiplayer Pixel Drawing — JS, HTML, CSS, Node, Express, Socket.io

[Github Repo](#) 

- A project made for a Resident Assistant Wellness Program. Users can draw one pixel at a time on a 500x500 canvas in any color on the wheel by plotting it on an x-y axis.
- Website was live and hosted on Microsoft Azure November 2022 - July 2023.

Technologies

Programming Languages: Java, JavaScript, HTML, CSS, C++, SQL

Technologies: Git, Bitbucket, UNIX, Maven, NodeJS, Ansible, Oracle SQL Developer

Frameworks/ Libraries: ExpressJS, Spring Boot, Socket.io, Fabric.js

Languages: Bulgarian(Native), English(Proficient), German(Proficient)
